### **Worship Attendance**

Kevin Fry brought two moving messages Sunday morning about their work in Zimbabwe, Africa at Eden's Children's Village.

During the Sunday School hour he and his wife Susan showed two videos, about herbal medicine and a convention the children compete in. Susan also talked about that they have seventeen children that need sponsors.

Ottis did a great job Sunday evening. If you didn't make it to church you missed out on a blessed day. See you Sunday.
