**Worship Attendance**

Our attendance was down, but our spirits were up with a good day in the lord’s house. **Best of all was witnessing the confession of faith and baptism of Dylan Hardison in the 8:30 service.** Please pray for Dylan in his walk with the Lord.

Thanks for your encouraging response to the series we finished last Lord’s Day. Lord willing we will begin a new series on December 4<sup>th</sup> entitled “Come Home for Christmas”. Let’s be in services this Sunday with an attitude of gratitude.

### **A Chance to Help**

Our church officers have set December 4<sup>th</sup> as a day to receive a love offering to help Gary and Joyce Phelps. Both of them have endured medical difficulties and surgeries. This is an opportunity for you to help them, if you can. Offerings will be received at the close of both morning services.

### **Removal of the "Cole House"**

On June 23<sup>rd</sup> a large tree fell on our second parsonage. Kim Moulden was living there at the time. Kim was moved into the parsonage and negotiations were launched with the insurance company to settle damages to the Cole House. Those insurance negotiations are finally settled and the board has decided to remove the house. In their meeting on November 20<sup>th</sup> the board set these guidelines:

- Church members will have from December 5<sup>th</sup> until December 19<sup>th</sup> to purchase items they would like to have from the house.
- Bob will be the contact person. Items will be available for donations.
- Please check with Bob to secure items you are interested in.
- You will be responsible for removal and hauling of items you get.
- After December 19<sup>th</sup> items will be made available to the public.
- Plans are to have the house burned shortly after the New Year begins.

### **What's Happenin' with Our Youth**

The teens will be presenting their Christmas program entitled "**Second Chance Christmas**" Saturday December 11<sup>th</sup> at 7pm and Sunday December 12<sup>th</sup> at 6pm. There will be plenty of laughs and possibly some tears. They have put in a lot of time and hard work. We hope that you plan to come and we ask that you invite a friend as well.
